## Education

**VNR Vignana Jyothi Institute of Engineering and Technology, Hyderabad** 2024 – Present  
B.Tech in Computer Science and Engineering (Data Science) CGPA: 9.38 / 10.0

## Technical Skills

**Languages:** Python, Java, SQL, C

**Machine Learning & Data:** Data Analysis, Data Visualization, Exploratory Data Analysis

**Libraries/Frameworks:** NumPy, Pandas, Scikit-learn (Basic)

**Tools:** Jupyter Notebook, Git, GitHub, VS Code, Excel

**Web:** HTML, CSS

## Experience

**Data Science & Web Development Intern** June 2026 – Present  
**Vipany Global Solutions**

- Developing backend applications using Java, Spring Boot, and MongoDB.
- Building responsive frontend interfaces using React.js.
- Working with databases and REST APIs as part of full-stack application development.
- Collaborating with mentors to develop real-world software solutions.

## Projects

**AI-Based Sports Talent Assessment Platform** *Python, Computer Vision*

- Developed a computer vision-based athlete assessment system using Python.
- Estimated fitness metrics from uploaded videos to support automated sports talent assessment.

**Smart Expense Splitter System** *Python*  
[GitHub]

- Designed a Python application to manage shared expenses using object-oriented programming.
- Implemented a greedy algorithm to minimize settlement transactions among participants.

**Online Examination Portal** *Java, SQL*

- Developed a Java-MySQL examination portal with secure authentication.
- Integrated JDBC for efficient database operations and automated evaluation.

**On-Demand Ride Allocation System** *C, HTML, CSS, JavaScript*  
[GitHub]

- Built a ride allocation system using linked-list based queue data structures to manage ride requests.
- Designed a browser-based dashboard to add ride requests and visualize the waiting queue dynamically.

## Certifications

- Google AI Essentials Professional Certificate – Google
- Software Engineering Virtual Experience – JPMorgan Chase (Forage)
- Introduction to Generative AI – IBM SkillsBuild
- NPTEL – Introduction to Internet of Things (Elite, 80%)
- Zero to Hero in Tableau: Data Visualization – Udemy

## Achievements & Activities

- Secured **2nd State Rank** in the All India Math Challenge (AIMCE).
- Represented at the **National Level in Softball**, winning Silver Medal.
- Member of the **Event Organising Team**, VJ Data Questers Club, VNRVJIET.
- Assisted in organizing technical events and student activities under the **ISTE Student Chapter**.
